Who are we?

We are Stefán and Jantina Gyarmathy, the founders of Zonvitaris, our naturopathic practice, and Inner Vitamins, an online store offering a range of natural supplements and organic products from various brands.

With over 25 years of experience and knowledge, we've crafted our own line of supplements called Plant' O Vitamins - Plant-Based Organic Vitamins. These products are accesible through our online platform and are also distributed via therapists and affiliates.

We're excited about the prospect of collaborating with you!
